School Goals

This year our district will continue with year 2 of our mission, "North Marion, learning together to cultivate lifelong growth."

- Implement rigorous and aligned PreK-12 curriculum standards, instruction, and materials that are culturally responsive.
- Empower each student to develop skills across the curriculum in ways that build their confidence to challenge themselves.
- Develop systems to expand the percentage of staff who are skilled in the use of culturally responsive practices that reflect the demographics of our community.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Our school believes that a safe and welcoming environment is foundational for student success. We have a Family Community Liaison Coordinator, and provide all communication in English and Spanish. Each student has a homeroom to help foster relationship building and success in school. We focus on educating the whole child through a Social-Emotional framework and continue to provide opportunities for parent and community engagement. We celebrate our community's diversity and strive to see it reflected in our school events and curriculum.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Bullying and Harassment are not tolerated at North Marion Middle School. Social Emotional Learning frameworks, along with our bully prevention program, are taught in homeroom classes that students attend four days a week. Consistent practice of all safety drills, suicide risk prevention, and culturally relevant practices are evident in our training and practices. Staff is trained in trauma-informed practices and using technology which safely monitors our students' online work, is also used. Additionally, our school and district participate in the Safe Oregon program to help students feel safe while at school.
