

# Announcement: Notice of Instructional Materials Review for Science Curriculum Adoption October 9, 2023

In keeping with School Board Policy [II/IIA-AR](#), this notice serves to inform the North Marion community of the review of Science Instructional Materials. The North Marion review process will continue through spring 2024, at which time a K-12 committee will make a recommendation for the School Board to approve. The materials will be implemented in the 2024-2025 school year.

For more information, please contact Desiree Kiesel, Director of Teaching and Learning, at [desiree.kiesel@nmarion.k12.or.us](mailto:desiree.kiesel@nmarion.k12.or.us).

Read more about the adoption process on the [Oregon Department of Education Instructional Materials website](#).
